In our continuing commitment to sustainability, our uncompromising environmental plan sets out our endeavours to proactively reduce the impact of our operations, rather than just striving to meet regulations. Our aim is to remain industry leaders and continue to set environmental benchmarks to which others aspire.

Arena

designed by Katerina Zachariades

The Arena collection consists of complementary tub chairs with timber or chrome legs as well as brushed steel swivel bases. All tub chairs within this collection have identical footprints and can be used together to provide a varied visual arrangement. They are suitable for any contract specification from hotels to office break out areas, meeting rooms and dining areas.

The Arena 524 and 526 have a slim seat and are available with a brushed steel swivel base. The 516 offers a slightly deeper seat for lounge areas. A small two seater sofa, complements the range and is ideal for reception areas.

All Morgan products are made to contract standards using sustainable PEFC timber and first quality CMHR foams. Morgan designs and creates furniture collections with a distinctive harmony of form and function that represents the utmost commitment to originality, quality and value.
