City

designed by Morgan Studio

Designed by Morgan's Design team, the City collection is modern, sharp and minimal. The armchairs have a variety of timber and metal base options making them suitable for dining or reception areas. The lounge chair complements the chairs offering a larger scale but maintaining the same simplicity.

All Morgan products are made to contract standards using sustainable PEFC timber and first quality CMHR foams. Morgan designs and creates furniture collections with a distinctive harmony of form and function that represents the utmost commitment to originality, quality and value.
